HELP! The Society relies on its members to help with rehearsals and with concert arrangements such as – **making coffee and tea** in rehearsal breaks (on a rota), **helping with food** and **putting on social events**, providing **raffle items**, distributing **posters**, selling **tickets and programmes**, helping to **set up and clear away before and after concerts**, providing **hospitality for soloists** and probably anything else that crops up. There will be tick lists circulated when specific help is needed but it would be useful if you could note here in advance any help which you would be willing to give. **Thank You!**
